Signature Showers

by **safestep**

Shower, relax and feel completely rejuvenated when you get out.

Customize your shower experience with Signature Showers! Enjoy a Luxurious Rainfall Shower Head, a Handheld Shower Wand, 4 Shelve Niche, Glass Door and *optional* Tile Track.

The Simple Select Water Diverter allows you to control the entire system with ease. Allowing you to switch from Shower Head to Shower Wand in an instant.

An 8-inch streamlined handle that features traditional aesthetics with curved components as part of our most popular shower collection.

Greyfield Simple Select Shower System

Effortlessly blend modern functionality and understated style with the Greyfield Simple Select Shower System with Slide Bar and Hand Shower. Designed for optimal accessibility, alternate between the showerhead and hand shower functions with ease using the simple press of a button and seamlessly adjust your hand shower's height for various users or tasks using the included slide bar.

Color Options

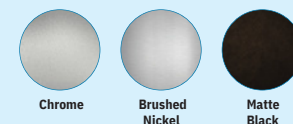

Hibiscus Simple Select Shower System

The Hibiscus Simple Select Shower System with Hand Shower brings understated luxury to any bathroom. From the rainfall shower head to the convenient hand shower, sleek lines and angular shapes create an uncluttered, spa-like atmosphere. To switch between the system's options or use them both at once, a push-button diverter allows you to control them quickly and easily.
